## CERTIFICATION BODY ACCREDITATION PROGRAM

**Accredited Legal Entity:**

### MET LABORATORIES, INC.

914 West Patapsco Avenue, Baltimore, MD 21230-3432 U.S.A.  
 Telephone: (410) 354-3300 Fax: (410) 354-3313  
 Email: rfrier@metlabs.com

*Any additional critical/key locations included in the scope of accreditation are appended to this listing.*

**Accreditation Standards:**

CAN-P-3G (ISO/IEC Guide 65:1996)  
 CAN-P-1500M  
 IAF GD 5:2006

**Certification Mark:**

**Product Certification System Type:**

The product certification system operated by this organization most closely resembles that described by ISO/IEC Guide 67, *Conformity assessment — Fundamentals of product certification*, System 3. The program includes the evaluation of samples requested by the certification body, determination of characteristics by testing or assessment, initial assessment of the production process or the quality system, as applicable, evaluation of the test and assessment reports, license, on-going surveillance by testing or inspection of samples from the factory as well as on-going surveillance of the production process.

**Subject Areas of Accreditation:**

The scope of accreditation for the above-mentioned legal entity limits the use of the certification mark shown, to products that meet standards classified by the following international classification coding:

ICS No.	Title	Purpose
29.020	Electrical engineering in general	Electrical safety, performance

<b>ICS No.</b>	<b>Title</b>	<b>Purpose</b>
29.060	Electrical wires and cables	Electrical safety, performance
29.100.01	Components for electrical equipment in general	Electrical safety, performance
29.120.01	Electrical accessories in general	Electrical safety, performance
29.130.01	Switchgear and control gear in general	Electrical safety, performance
29.140	Lamps and related equipment	Electrical safety, performance
29.160.01	Rotating machinery in general	Electrical safety, performance
29.200	Rectifiers. Convertors. Stabilized power supply	Electrical safety, performance
29.240.01	Power transmission and distribution networks in general	Electrical safety, performance
29.260.20	Electrical Apparatus for explosive atmospheres	Electrical safety, performance
35.020	Information technology in general (IEC 60950)	Electrical safety,
35.160	Microprocessor systems	Electrical safety,
35.180	IT terminal and other peripheral equipment	Electrical safety,
35.260	Office machines	Electrical safety,
91.160.01	Lighting in general	Electrical safety, performance
97.030	Domestic electrical appliances in general	Electrical safety, performance
97.040.20	Cooking ranges, working tables, ovens and similar appliances	Electrical safety, performance
97.040.30	Domestic refrigerating appliances	Electrical safety, performance
97.040.40	Dishwashers	Electrical safety, performance
97.040.50	Small kitchen appliances	Electrical safety, performance
97.060	Laundry appliances	Electrical safety, performance
97.080	Floor treatment appliances	Electrical safety, performance
97.100.01	Heating appliances in general	Electrical safety, performance
97.100.10	Electric heaters	Electrical safety, performance
97.120	Automatic controls for household use	Electrical safety, performance
97.130.20	Commercial refrigerating appliances	Electrical safety, performance

<b>ICS No.</b>	<b>Title</b>	<b>Purpose</b>
97.180	Miscellaneous domestic and commercial equipment	Electrical safety, performance
97.195	Items of art and handicraft	Electrical safety, performance
97.200.10	Theatre, stage and studio equipment	Electrical safety, performance

**Other Critical/Key Locations**

Refer to the legal entity location identified at the top of this listing. There are no additional locations included in this scope of accreditation.
