CERTIFICATION BODY ACCREDITATION PROGRAM

Accredited Legal Entity:

ELECTRICAL SAFETY AUTHORITY operating as ESA FIELD EVALUATION (ESAFE)

155A Matheson Boulevard West, Mississauga, Ontario L5R 3L5
Telephone: (613) 271-1489 Fax: (613) 271-6441
Email: jacques.martin@electricalsafety.on.ca

Any additional critical/key locations included in the scope of accreditation are appended to this listing.

Accreditation Standards:

ISO/IEC 17065
CAN-P-1500M

Protected Mark:

Product Certification System Types:

The product certification system operated by this organization most closely resembles that described by ISO/IEC Guide 67, *Conformity assessment — Fundamentals of product certification*, System 1. The program includes testing; samples of the product are assessed for conformity. The sampling covers the entire population of product. A certificate of conformity is given to each product represented by the sample. This certification system includes the following: a) samples requested by the certification body; b) determination of characteristics by testing or assessment; c) evaluation of the test or assessment report; d) decision; e) license.

Canada

Subject Areas of Accreditation:

The scope of accreditation for the above-mentioned legal entity limits the use of the certification mark shown, to products that meet standards classified by the following international classification coding:

ICS No.	Title	Purpose
21.180	Housings, enclosures, other machine parts	Electrical Safety Hazardous locations
