CERTIFICATION BODY ACCREDITATION PROGRAM

Accredited Legal Entity:

FM APPROVALS LLC

1151 Boston-Providence Turnpike, Norwood, MA 02062 U.S.A.
Telephone: (781) 255-4972 Fax: (781) 762-9375
Email: john.hill@fmglobal.com

Any additional critical/key locations included in the scope of accreditation are appended to this listing.

Accreditation Standards:

ISO/IEC 17065
CAN-P-1500M
IAF GD 5:2006

Certification Marks:

Product Certification System Type:

The product certification system operated by this organization most closely resembles that described by ISO/IEC Guide 67, *Conformity assessment — Fundamentals of product certification*, System 3. The program includes the evaluation of samples requested by the certification body, determination of characteristics by testing or assessment, initial assessment of the production process or the quality system, as applicable, evaluation of the test and assessment reports, license, on-going surveillance by testing or inspection of samples from the factory as well as on-going surveillance of the production process.

Subject Areas of Accreditation:

The scope of accreditation for the above-mentioned legal entity limits the use of the certification mark shown, to products that meet standards classified by the following international classification coding:

Canada

ICS No.	Title	Purpose
13.220.10	Fire-fighting	Performance and Safety
13.220.20	Fire protection	Performance and Electrical Safety
13.220.99	Other standards related to protection against fire (Combustible gas detectors)	Performance
13.230	Explosion protection	Performance and Safety
13.260	Protection against electric shock. Live working	Performance and Electrical Safety
13.320	Alarm and warning systems	Performance and Electrical Safety
19.080	Electrical and electronic testing	Performance and Electrical Safety
21.180	Housings, enclosures, other machine parts	Performance and Electrical Safety
23.040.10	Iron and steel pipes	Performance (for fire protection service only)
23.040.15	Non-ferrous metal pipes	Performance (for fire protection service only)
23.040.20	Plastic pipes	Performance (for fire protection service only)
23.040.40	Metal fittings	Performance (for fire protection service only)
23.040.45	Plastic fittings	Performance (for fire protection service only)
23.040.60	Flanges, couplings and joints	Performance (for fire protection service only)
23.040.70	Hoses and hose assemblies	Performance (for fire protection service only)
23.060.30	Gate valves	Performance (for fire protection service only)
23.060.40	Pressure regulators	Performance (for fire protection service only)
23.060.50	Check valves	Performance (for fire protection service only)
23.060.99	Other valves (valves for fire protection service)	Performance (for fire protection service only)
23.080	Pumps	Performance (for fire protection service only)
25.040.40	Industrial process measurement and control (Up to 600V)	Performance and Electrical Safety
29.020	Electrical engineering in general	Performance and Electrical Safety
29.060.20	Cables (Electrical heat tracing systems)	Performance and Electrical Safety
29.120.99	Other electrical accessories (Electrostatic neutralizing / finishing equipment)	Performance

ICS No.	Title	Purpose
29.260.10	Electrical installations for outdoor use	Performance and Electrical Safety
29.260.20	Electrical apparatus for explosive atmospheres	Performance and Electrical Safety
35.020	Information technology (IT) in general (IT equipment)	Electrical Safety
35.160	Microprocessor systems	Electrical Safety
35.180	IT terminal and other peripheral equipment	Electrical Safety
35.260	Office machines	Electrical Safety
55.180.20	General purpose pallets	Performance (as related to fire)
59.080.40	Coated fabrics	Performance (as related to fire)
71.040.10	Chemical laboratories. Laboratory equipment	Electrical Safety
83.080.10	Thermosetting materials	Performance (as related to fire)
83.080.20	Thermoplastic materials	Performance (as related to fire)
83.140.10	Films and sheets	Performance (as related to fire)
83.140.20	Laminated sheets	Performance (as related to fire)
91.060.10	Walls. Partitions. Façades	Performance (as related to fire)
91.060.20	Roofs	Performance (as related to fire)
91.100.60	Thermal and sound insulating materials	Performance (as related to fire)
97.100	Domestic, commercial and industrial heating appliances (Electrical heat tracing systems)	Fire Safety

Other Critical/Key Locations

The certification activities conducted by the above-mentioned legal entity at the following locations are also included in this scope of accreditation:

Country	Address	Location
USA	FM Approvals LLC 743 Reynolds Road West Glocester, RI 02814	West Glocester
