CERTIFICATION BODY ACCREDITATION PROGRAM

Accredited Legal Entity:

ICC EVALUATION SERVICE, LLC

5360 Workman Mill Road, Whittier CA 90601 U.S.A.
Telephone: (562) 699-0543 Fax: (562) 695-4694
Email: SAnderson@icc-es.org

Any additional critical/key locations included in the scope of accreditation are appended to this listing.

Accreditation Standards:

CAN-P-3G (ISO/IEC Guide 65:1996)
CAN-P-1500M
IAF GD 5:2006

Certification Marks:

Product Certification System Type:

The product certification system operated by this organization most closely resembles that described by ISO/IEC Guide 67, *Conformity assessment — Fundamentals of product certification*, System 5. It includes the evaluation of samples requested by the certification body, determination of characteristics by testing or assessment, initial assessment of the production process or the quality system, as applicable, evaluation of the test and assessment reports, license, on-going surveillance by testing or inspection of samples from the factory or the open market, or both depending on the product type, as well as on-going surveillance of the production process or quality system or both.

Subject Areas of Accreditation:

The scope of accreditation for the above-mentioned legal entity limits the use of the certification mark shown, to products that meet standards classified by the following international classification coding:

ICS No.	Title	Purpose
23.040.01	Pipeline components and pipelines in general	Performance Health Safety
23.020.10	Stationary containers and tanks	Performance Health Safety
23.040.10	Iron and steel pipes	Performance Health Safety
23.040.15	Non-ferrous metal pipes	Performance Health Safety
23.040.20	Plastic pipes	Performance Health Safety
23.040.40	Metal fittings	Performance Health Safety
23.040.45	Plastics fittings	Performance Health Safety
23.040.50	Pipes and fittings of other materials	Performance Health Safety
23.040.80	Seals for pipe and hose assemblies	Performance Health Safety
23.060.01	Valves in general	Safety and Performance
23.060.40	Pressure regulators <i>Including pressure-reducers</i>	Performance Health Safety
23.060.50	Check valves	Performance Health Safety
23.060.99	Other valves	Performance Health Safety
25.160.01	Welding, brazing and soldering in general <i>Limited to flux for soldering of copper tubing</i>	Performance
49.025.50	Adhesives <i>Limited to solvent cements for plastic pipe and fittings</i>	Performance
83.140.01	Rubber and plastics products in general	Performance
91.060.40	Chimneys, shafts, ducts <i>Including flues and flue pipes</i>	Performance Safety
91.140.65	Water Heating Equipment	Performance Safety
91.140.30	Ventilation and air-conditioning systems	Performance
91.140.60	Water supply systems	Performance Health Safety
91.140.65	Water heating equipment *Gas water heaters only	Safety and Performance

ICS No.	Title	Purpose
91.140.70	Sanitary installations	Performance Health Safety
91.140.80	Drainage systems	Performance Health Safety
97.100.20	Gas Heaters	Safety and Performance

Other Critical/Key Locations

The certification activities conducted by the above-mentioned legal entity at the following locations are also included in this scope of accreditation:

Country	Address	Location
USA	900 Montclair Road Birmingham, AL Telephone: 205-591-1853 Fax: 205-599-9850	Birmingham, AL
