CERTIFICATION BODY ACCREDITATION PROGRAM

This legal entity was recommended by the Standards Council of Canada to the Canadian Food Inspection Agency (CFIA) for accreditation as per Section 6 from the Organic Products Regulations, 2009. This legal entity is also accredited by the SCC for scope areas that are not currently covered by the Canada Organic Regime.

Legal Entity:

PRO-CERT ORGANIC SYSTEMS LTD.

475 Valley Road, Box 100A, R.R.#3, Saskatoon, SK S7K 3J6 Canada

Telephone: (306) 382-1299 Fax: (306) 382-0683

Email: info@pro-cert.org

Any additional critical/key locations included in the scope of accreditation are appended to this listing.

Accreditation Standards:

CAN-P-3G (ISO/IEC Guide 65:1996)

IAF GD 5:2006

CAN-P-1500M

Organic Products Regulations, 2009 (which includes the Canada Organic Office Operating Manual)

Certification Mark (optional at the discretion of the legal entity):

Product Certification System Type:

The product certification system operated by this organization most closely resembles that described by ISO/IEC Guide 67, *Conformity assessment — Fundamentals of product certification*, System 6. This program addresses especially certification of processes and services. It includes the determination of characteristics by assessment of processes or services, initial assessment of the quality system, as applicable, evaluation, on-going surveillance by audits of the quality as well as on-going surveillance of the processes or services.

Canada

Note: Accreditations are granted by CFIA under Organic Products Regulations, 2009 to certify to the Canadian organic standards. Please refer to the following website for details.
