E-mail:

Describe the issue or opportunity currently facing your business/organization.

Rationale for creating a new standard or revising an existing standard:

No standard currently exists for my innovative product, service or process

Want to access global markets

Want to harmonize requirements between U.S. and Canada

Want to harmonize requirements across Canadian provinces

Want to resolve a health or safety issue

Why do you feel a standard or revision to a standard is necessary?

To the best of your knowledge, please list any standards that currently impact or relate to this issue.

Does this need impact only your industry or possibly others? Please specify.
