

## **CERTIFICATION BODY ACCREDITATION PROGRAM (CBAP)**

### **Scope of Accreditation**

**Accredited Legal Entity:** QPS EVALUATION SERVICES, INC

Contact Name: Nick Maalouf

#### **LOCATION A**

Address: 81 Kelfield Street, Units 7-10  
 Toronto, ON M9W 5A3

Telephone: +1 416 241 8857

Telefax: +1 416 241 0682

Website: [www.qps.ca](http://www.qps.ca)

Email: [nmaalouf@qps.ca](mailto:nmaalouf@qps.ca)

|  |  |
|--|--|
| <b>SCC File Number:</b>                      | 10048  |
| <b>Accreditation Standard:</b>               | ISO/IEC 17065:2012<br>Requirements and Guidance – Product, Process, and Service Certification Body Accreditation Program |
| <b>Additional Accreditation Requirement:</b> | Requirements and Guidance – Product, Process, and Service Certification Body Accreditation Program, 2020-02-16           |
| <b>Initial Accreditation:</b>                | 2004-11-29   |
| <b>Most Recent Accreditation:</b>            | 2020-09-02   |
| <b>Accreditation Valid To:</b>               | 2021-05-29   |

#### **Additional Fixed Office Locations:**

Refer to the legal entity location identified at the top of this listing. There are no additional locations included in this scope of accreditation.

#### **Certification Mark:**

**Product Certification Scheme:**

ISO/IEC 17067, Conformity assessment - Fundamentals of product certification and guidelines for product certification schemes, *scheme type 1b* most closely resembles the product certification scheme operated by this organization. This scheme type involves the certification of a whole batch of products, following selection and determination as specified in the scheme. The proportion to be tested, which can include testing of all the units in the batch (100% testing), would be based, for example, on the homogeneity of the items in the batch and the application of a sampling plan, where appropriate. If the outcome of the determination, review and decision is positive, all items in the batch may be described as certified and may have a mark of conformity affixed, if that is included in the scheme.

ISO/IEC 17067, Conformity assessment - Fundamentals of product certification and guidelines for product certification schemes, *scheme type 3* most closely resembles the product certification scheme operated by this organization. The surveillance part of this scheme involves periodically taking samples of the product from the point of production and subjecting them to determination activities to check that items produced subsequent to the initial attestation fulfil the specified requirements. The surveillance includes periodic assessment of the production process. This scheme does not provide any indication of the impact the distribution channel plays on conformity. When serious nonconformities are found, the opportunity may exist to resolve them before widespread market distribution occurs.

**Scope of Accreditation:**

The scope of accreditation for the above-mentioned legal entity limits the use of the certification mark shown, to products that meet standards classified by the following international classification coding:

| ICS No.   | Title  | Purpose           |
|-----------|--|-------------------|
| 11.040    | Medical Equipment                                  | Electrical Safety |
| 11.040.01 | Medical equipment in general                       | Electrical Safety |
| 11.040.10 | Aneasthetic, respiratory and reanimation equipment | Electrical Safety |
| 11.040.20 | Transfusion, infusion and injection equipment      | Electrical Safety |
| 11.040.30 | Surgical instruments and materials                 | Electrical Safety |
| 11.040.50 | Radiographic equipment                             | Electrical Safety |

| <b>ICS No.</b> | <b>Title</b>   | <b>Purpose</b>                          |
|----------------|--|---|
| 11.040.55      | Diagnostic equipment   | Electrical Safety                       |
| 11.040.60      | Therapy equipment  | Electrical Safety                       |
| 11.060.20      | Dental equipment   | Electrical Safety                       |
| 11.140         | Hospital equipment   | Electrical Safety                       |
| 13.120         | Domestic Safety  | Electrical Safety                       |
| 13.220.20      | Fire protection  | Performance                             |
| 13.260         | Protection against electric shock                            | Electrical Safety                       |
| 13.310         | Protection against crime                                     | Electrical Safety                       |
| 13.320         | Alarm and warning systems                                    | Electrical Safety                       |
| 19.020         | Construction and Test of Electric Storage-Tank Water Heaters | Electrical Safety and Energy Efficiency |
| 19.080         | Electrical and electronic testing                            | Electrical Safety                       |
| 21.180         | Housings, enclosures, other machine parts                    | Safety                                  |
| 23.060         | Valves   | Electrical Safety                       |
| 23.080         | Pumps  | Electrical Safety                       |
| 23.100.50      | Control components   | Electrical Safety                       |
| 23.120         | Ventilators. Fans. Air-conditioners                          | Electrical Safety and Energy Efficiency |
| 25.040.40      | Industrial process measurement and control                   | Electrical Safety                       |
| 25.080         | Machine Tools  | Electrical Safety                       |
| 25.080.10      | Lathes   | Electrical Safety                       |
| 25.080.20      | Boring and milling machines                                  | Electrical Safety                       |
| 25.080.25      | Planing machines   | Electrical Safety                       |
| 25.080.30      | Broaching machines   | Electrical Safety                       |
| 25.080.40      | Drilling machines  | Electrical Safety                       |
| 25.080.50      | Grinding and polishing machines                              | Electrical Safety                       |
| 25.080.60      | Sawing machines  | Electrical Safety                       |
| 25.140.20      | Electric tools   | Electrical Safety                       |
