

CERTIFICATION BODY ACCREDITATION PROGRAM (CBAP)

Scope of Accreditation

Accredited Legal Entity: Home Ventilating Institute, Inc.

Contact Name: Jacki Donner, CEO

Address: 1740 Dell Range Blvd., Ste. H, PMB 450
Cheyenne, WY
82009 USA

Telephone: 855 484 8368, Ext. 101

Fax: 480 559 9722

Website: www.hvi.org

Email: exec@hvi.org

SCC File Number:	10081
Accreditation Standard:	ISO/IEC 17065:2012 – Conformity assessment — Requirements for bodies certifying products, processes and services
Additional Accreditation Requirement:	Requirements and Guidance – Product, Process, and Service Certification Body Accreditation Program, 2021-09-21
Initial Accreditation:	2020-04-13
Most Recent Reaccreditation:	2022-03-14
Accreditation Valid to:	2024-04-13

Additional Fixed Office Locations:

Refer to the legal entity location identified at the top of this listing. There are no additional locations included in this scope of accreditation:

Certification Mark:

Product Certification Scheme:

ISO/IEC 17067, Conformity assessment - Fundamentals of product certification and guidelines for product certification schemes, *scheme type 2* most closely resembles the product certification scheme operated by this organization. The surveillance part of this scheme involves periodically taking samples of the product from the market and subjecting them to determination activities to check that items produced subsequent to the initial attestation fulfil the specified requirements. While this scheme may identify the impact of the distribution channel on conformity, the resources it requires can be extensive. Also, when significant nonconformities are found, effective corrective measures may be limited since the product has already been distributed to the market.

Scope of Accreditation:

The scope of accreditation for the above-mentioned legal entity limits the use of the certification mark shown, to products that meet standards classified by the following international classification coding:

ICS No.	Title	Purpose
23.120	Ventilators, Fans, Air-conditioners	Performance Ratings, Energy Efficiency For Ventilators and Fans. Not for Air conditioners.
27.015	Energy conservation in general	Performance Ratings, Energy Efficiency Restricted to product specific residential ventilation fans.
27.220	Heat recovery. Thermal insulation	Performance Ratings, Energy Efficiency For Heat Recovery ventilator and energy recovery ventilators. "Heat Recovery" and "Thermal Insulation" are diverse and extensive subject with some topics beyond HVI's expertise.

ICS No.	Title	Purpose
97.040.20	Cooking ranges, working tables, ovens and similar appliances *including microwave ovens and stove hoods	Performance Ratings, Energy Efficiency
91.140.30	Ventilation and air-conditioning systems *including ventilation ducts	Performance Ratings, Energy Efficiency For small and medium residential/commercial ventilation systems and not industrial ventilation. Not for air-conditioning systems.

Certification Mark:

Product Certification Scheme: Energy Star
